GOSPEL PRESENTED

We shared hope and encouraged hearts with the gospel

Presented by **Werkplās** *Golf Fore Life* is more than a day on the course—it's an opportunity to change lives. With every swing, you're playing for families who need hope, encouragement, and compassionate support during one of life's most difficult moments. As you make your way around the course, you'll discover the stories of families whose lives have been changed thanks to our compassionate care. Because of your participation, another family's story is just beginning.

"They didn't just help us through one appointment. They walked with us every step of the way."
— **saV·a·LIFE Mom**
